Dear Ms. Griffin:

The Office of Juvenile System Oversight (OJSO) conducted an announced visit at the Logan County Youth & Family Services, Inc., emergency youth shelter on February 18, 2009. During the oversight visit, the OJSO spoke with administrators, staff, and residents; reviewed documents and files; and toured the facility buildings and grounds. During the exit conference, the OJSO informed the administration there were no issues or concerns noted during the visit. The facility records were well organized and the facility was well maintained.

A response to this letter is not required; however, this correspondence has been sent to all appropriate state agencies.
