RE: Announced Visit, 2009

Dear Mr. Howard:

The Office of Juvenile System Oversight (OJSO) conducted an announced visit at the United Methodist Boy's Ranch in Gore, on August 14, 2009. The facility is one of several facilities operated by the Oklahoma United Methodist Circle of Care. The facility was licensed by the division of Oklahoma Child Care Services (OCCS) of the Oklahoma Department of Human Services (OKDHS) for twelve male residents. The facility was also licensed as a child placing agency in order to operate an independent living program under OAC 340:110-5-115, Independent living.

During the oversight visit, the OJSO spoke with the director, grievance coordinator, and three residents; reviewed documents and four resident files; and informally toured the campus. No issues or concerns were noted during the visit.

A response to this letter is not required. We will wait thirty days before publishing this correspondence on the web page; however, this correspondence has been sent to all appropriate state agencies.

Thank you for your assistance and cooperation in this matter. If you have any questions or comments concerning this correspondence, please call me at 405-606-4900.
